

QUALITY POLICY & QUALITY OBJECTIVES

We, CCS, are committed to achieving and maintaining our excellence standards of the quality construction works and including the related services in the area of fabrication, installation, construction management project, and other supply services.

As the commitment stated above, CCS is able to bring you the quality of construction products and services at the most competitive price. This is because we always recognize our customers are our key business partner.

Finally, we shall intentionally determine some opportunities for continual improvement from time to time to ensure that only the highest satisfaction level is provided consistently to our customers.

In order to meet the mentioned commitment, the management has established the following Company objectives.

- 1) Maintain the highest level of Clients' Satisfaction is only provided,*
- 2) Preventive & Proactive action concept is focused and taken rather than corrective one,*
- 3) Appropriate well planned of construction works and services,*
- 4) Always maintain conformance of meeting Customer and Product requirements,*
- 5) All projects are effort to delivery on time,*
- 6) Only our employees with service mind concept and adequate competency shall be assigned, and*
- 7) Understand that our Suppliers and Subcontractors are mutually beneficial partners.*
